Know your tulip seed.  
Mallows will be plenty.  
Squirrels are now in season.

Full plowing has commenced.  
The July showers made the corn.  
Farmers are pleased with the crops.

The fly is never positive. He always speculates.  
A perfect upstart—The man who sits down on a hot pin.

Worms are eating the hearts out of the growing cabbage.  
There are about. Keep your doors shut and turn your dogs loose.

We are prepared to furnish Road Tax Receipts at 25 cents per hundred.  
The sticky season of the year is at hand again. Cleanse your premises.

The best spring winders are on their travels. Warm them off your premises.  
Miss Parsons, of Beaverville, is living dangerously ill with congestion of the brain.

Mr. Connelley Jones, of the Soldiers Home near Dayton, is visiting friends in this county.  
Anthony Schenck has laid down new notes payable in front of his residence last week.

W. S. Taylor, Esq., and family of Cincinnati, are visiting at Mrs. Eliza Holman's in this place.  
New counterfeit silver dollars, a little heavier than the genuine, are in circulation. Look out for them.

A daughter of Mr. CHRISTIAN ROY, of Green Township, aged about 7 years, died the night of the 9th inst.  
A son of W. M. DREW, of Beaverville, had one of his arms broken on the 8th inst. Dr. Reed attended the case.

To whine, and fret, and worry, and make others feel miserable is the great aim of life with a few who had better never have been born.  
The new wheat crop starts off at a good price, and if the present rate is realized on all the wheat sold, it will bring a great deal of money into the county.

A fashionable visitor thus addressed a little girl: "How do you do, my little girl?" "Very well, thank you," she replied. The visitor then added, "Now, my dear, you must ask me how I do." The child honestly replied, "I don't want to know."

The Democratic Senatorial Convention will be held at Summerville, on Thursday, the 14th inst.  
The Editor of THE SPIRIT and wife return thanks to Mr. EDWARD O'NEIL and family for kind and extended during visit to the Stafford Camp Meeting on Saturday last.

The preachers in attendance at the Stafford Camp Meeting are: Revs. NORMAN, HINDELY, WORTHINGTON, FARR, FRANKLIN, WILSON, GARNETT, BAKER, KELLEY, ANDERSON and DAWSON.  
JAMES RUTHER, of the steamer Telegram, is a candidate for Justice of the Peace, over in Monroe county. True is a house man of sufficient size and ability to honor his constituents in that position. —Bellefonte Leader.

We are authorized to announce that the Free Methodist will hold Camp Meeting near Summerville, commencing on Wednesday, the 27th inst. There will be no charge for admittance. All are cordially invited to attend.

A telegraph company was incorporated at Columbus last week with a capital stock of \$50,000. They propose running a line of telegraph from Cincinnati to Beaverville via Morgan, Oaklawn, Noble and Monroe counties.

If good order, good preaching, good kind people to manage affairs, attentive congregations and first-class regulations generally, constitute success, then the Stafford Camp Meeting is a success. At least that is our opinion of it.

Officers of Farmers Clubs are requested to send their names and P. O. address, and likewise the names and address of all their members, to Hon. J. F. McKENNA, Columbus, Ohio, and to Sen. McKENNA, Washington, D. C. Don't fail to attend to this.

Mr. F. M. STRENGTH of this township, Center, let at our office last week 35 stalks of Valley oats, containing 3,960 grains, which were produced from oats. Also 33 stalks of Houdan oats from one grain. The stalks are long and the heads well filled, some of the heads being double.

An exchange says: About a pound of copperas, (sulphate of iron), at a dose of a few cents, put into a water closet, will entirely deodorize it. Five pounds of the same dissolved in a bucket of hot water and thrown down a cess-pool will have the same effect. If repeated two or three times a month there will be no trouble from sewer gas or other odors. There is no unpleasant odor like that from closets of lime or carbolic acid.

We attended the Stafford Camp Meeting last Sunday, in company with many others from this place, and found it progressing finely. There were between 2,000 and 3,000 people on the grounds, and not a single disturbance occurred to mar the peace and quietness that prevailed. Rev. HINDELY conducted all the services in the morning and Rev. FARR in the afternoon. Both preached excellent sermons. The meeting will continue over next Sunday.

## ITEMS.

The town of Volcano, Wood County, West Va., was destroyed by fire last week. The total loss is estimated at \$75,000; insurance \$48,000.

The body of the boy, Simpson, who was drowned last week, was recovered last Friday at Beaverville, about forty miles below this city. —Bellefonte Leader, 8th inst.

Mr. FOSTER now has great admiration for "our glorious flag." He did not have admiration enough for it in 1861 to volunteer for its defense. General FOSTER and General RICE had. They saw it in peril and volunteered to aid in its rescue.

We do not see why the Republican party of Ohio should wrench itself in its effort to defeat the Democratic party. If the Democratic party is so tore up in its mind and organization as the Republican journals would have their readers believe.

In Cayuga county, where the Green-back ticket received about six thousand votes last fall, Platt will not get over one thousand, and the Schilling crowd will be defeated with that. Two-thirds of the Nationals here, the unthought ones, will vote for Ewing. —Cleveland Plaindealer.

DEMOCRATS, bear in mind that the Legislature chosen on the second Tuesday of October will elect a United States Senator to succeed Judge Thurman. It is the duty, therefore, of every Democrat to do every thing in his power to insure the success of the grand old party of Constitutional Liberty. —St. Clairsville Gazette.

The Getts law, passed by the late General Assembly, is one of the most sweeping enactments to guard the "purity of elections" ever enacted in this or any other State, and it is properly observed and enforced, will go far towards preventing much of the corruption that has been known to prevail about election time. The use of money improperly has grown to such an extent that it is time that a check be put to the habit, not only in the interest of candidates themselves, but for the general good of the people. —Bellefonte Leader.

Referring to the statement, now going the rounds of the newspapers, to the effect that Judge Kennon, of this place, is the oldest ex-Congressman living, the Greenway Times claims to have found one older than Mr. Kennon, and says that John Chaney, Sr., who now lives near Columbus, is 89 years old and was a member of Congress from 1832 to 1838. Mr. Chaney then is an older man than Judge Kennon, who is 83; but the latter was a Congressman before Mr. Chaney was first elected to that position. Judge Kennon was elected to Congress the first time in 1828 and took his seat in the House in 1829. —St. Clairsville Gazette.

Foreign creditors made a descent upon CLARK'S grocery stock on Monday, the 4th inst., and removed his goods. MARSHAL MASON entered the grocery, laid the goods appraised and taken to all places of business.

On the 10th inst., Prosecuting Attorney SPRINGS filed an affidavit before E. J. BEARD, charging CLARK with forging the name of JOHN B. TAYLOR to a promissory note for \$37.87. CLARK was arrested and entered into bond in the sum of \$500 for his appearance at 1 o'clock on the 11th inst.

It is the opinion of many persons that Mr. CLARK'S mind is out of order; and in this connection, Mr. SPRINGS informed us this morning, Monday, that CLARK'S father-in-law, Mr. JAMES R. SMITH, proposed to file an application in the Probate Court to have him adjudged insane. His mode of transacting his business affairs has been the subject of comment here for some time past.

The new postage law in relation to the prepayment of postage went into effect on the 30th ult. Heretofore all letters insufficiently stamped were forwarded to their destination, and the amount due was collected of the person to whom the letters were addressed. Under the new law postmasters are required to place upon letters not fully prepaid the stamp or stamps due, and to send to the office where the letter is delivered a bill for the amount of stamps advanced. The postmaster receiving such letters and bills returns the amount to the forwarding postmaster, and collects the amount from the receiver of the letter.

No good preaching.  
No man can do a good job of work, preach a good sermon, try a lawsuit well, doctor a patient or write a good article when he feels miserable and dull, with sluggish brain and unsteady nerves, and none should make the attempt in such a condition when it can be so easily and cheaply remedied by a little Hop Bitters. See other column.

Memphis—Seventeen New Cases and Three Deaths.  
Memphis, August 6.—Beyond the excruciating torture of a 98 in the shade sun all day, nothing has transpired during the past twenty-four hours worthy of chronicling. The new case list adds up to eleven, one less than yesterday, while the dead roll shows three increments from yellow fever and two from other causes. Of the sick, eleven are white and six colored. The name of PATRICK FARR.

Appears among the interments—the second Catholic priest to fall a victim this season. Father Farray came to Memphis after the epidemic to assist in St. Patrick's parish, all the priests in that parish having died in the epidemic in 1878.

Nature does not execute "snap" judgments, but always works a steady and almighty in "buyers" favor. The Colonel took off his specs, rubbed them carefully, and then the subject of the 23rd chapter of Isaiah, 15th verse.—Over 500,000 bottles of Dr. Bull's Cough Syrup, &c., Well, I thought that Bull got everywhere else except in the Bible. Now I'll give it up; it must be wrong.

Also, the following: "The Colored people of this city are required to appear and answer said petition on or before the 15th day of September, 1879." ALEXANDER BUCHANAN, Adm'r of William Buchanan, dec'd.
